In re Application of
Rueyjen Hwu, et al.
Application No. 10/067,625
Filed: February 4, 2002
Attorney Docket No. ISYS117880

ON PETITION

This is a decision on the petition, filed August 25, 2004, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is GRANTED.

A review of the record discloses that the application became abandoned for a failure to reply in a timely manner to the non-final Office action mailed October 3, 2003. On August 25, 2004, the present petition was filed, as well as an Amendment and a Revocation and Power of Attorney.

The Revocation and Power Attorney filed August 25, 2004 is **not** acceptable, since it appears that the Power of Attorney is from an assignee and the Certificate required by 37 CFR 3.73(b) has not been received. However, in accordance with 37 CFR 1.34(a), the signature of Paul C. Oestreich appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party in whose behalf he acts. However, if Mr. Oestreich desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record.

Telephone inquiries concerning this decision may be directed to the undersigned at (571) 272-3204. All other inquiries regarding this application should be directed to the Technology Center.

The application file is being forwarded to Technology Center AU 2879 for consideration of the amendment filed August 25, 2004.
